**1. Describe cómo es tu ciudad. Habla de los diferentes sectores y áreas.**

1. Describe what your city is like. Talk about the different sectors and areas.

*In Cincinnati there is a vibrant, exciting downtown with skyscrapers, sports stadiums, and restaurants. There is also an industrial area with factories. The residential areas are old with architecture from the past century.*

**2. ¿Prefieres la ciudad o los suburbios? ¿Cuáles son los pros y los contras de cada uno?**

2. Do you prefer the city or the suburbs? What are the pros and cons of each?

*I am younger so I still like the exciting life of the city. The city has lots to do but it is expensive and crowded. The suburbs have more space and often have more affordable residential areas.*

**3. Elige tres áreas de la lección de vocabulario y explica para qué sirve cada área y lo que normalmente se encuentra allí.**

3. Choose three areas from the vocabulary lesson and explain what each area is for and what is usually found there.

*The industrial area has factories to build things. A strip mall is where customers can go to buy different products for their house or entertainment. A residential area is where people live and can include houses or apartments.*
