## Reglas Generales

- Algunos verbos no toman el final de -ed en el tiempo pasado. No hay una regla de cuáles verbos son irregulares en el pasado ni cómo formarlos; hay que memorizarlos.
- Igual a los verbos regulares en el pasado, los irregulares no cambian de forma basado en el sujeto (todos usan la misma conjugación).

## Ejemplos:

I made my bed. (*make* → *made*)

I baked a cake. (*bake* → *baked*)

I woke up at 6:00 AM. **You** woke up at noon.

**We** told the truth. **She** told a lie.
