**A.** Completa la palabra que falta para decir el nombre del letrero o placa.

- |                     |                |                 |
|---------------------|----------------|-----------------|
| 1. wrong <u>way</u> | 5. dead _____  | 9. inter _____  |
| 2. _____ parking    | 6. _____ bump  | 10. _____ turn  |
| 3. No U _____       | 7. _____ enter | 11. _____ limit |
| 4. _____ passing    | 8. lane _____  | 12. one _____   |

**B.** Hay una descripción de lo que dicen varios letreros. Selecciona el letrero que se describe.

- |                                       |  |
|---------------------------------------|--|
| 1. You're not allowed to turn around: | No parking / <b>No U turn</b> / Do not enter |
| 2. The street has no outlet:          | Dead end / No passing / Land ends            |
| 3. Workers repairing the road ahead:  | Exit / One way / Construction                |
| 4. Not a two-way street:              | One way / Speed bump / Stop sign             |
| 5. Maximum velocity:                  | Speed limit / Yield / Stop                   |
| 6. Which highway route you're on:     | Lane ends / Interstate / No passing          |
| 7. Get off the highway here:          | Construction / Exit / Speed bump             |
| 8. Traffic goes the other direction:  | Do not enter / Wrong way / Dead end          |

**C.** Rellena cada espacio en blanco, escogiendo la palabra correcta de la caja.

no passing	dead end	speed limit	handicapped	Do Not Enter
speed bump	No Parking	stop	lane ends	exit

- We need to get off the highway. Take the next exit.
- There's no outlet; this street is a \_\_\_\_\_.
- Go slow over this \_\_\_\_\_ so you don't damage the car.
- Parking spaces closest to the entrance are for the \_\_\_\_\_.
- This intersection has a four-way \_\_\_\_\_.
- You can't go down this alley; there is a \_\_\_\_\_ sign.
- Slow down. The \_\_\_\_\_ here is only 25.
- You have to merge over. This \_\_\_\_\_ ahead.
- You can't leave the car here; there is a \_\_\_\_\_ sign.
- We're stuck behind this slow truck because it's a \_\_\_\_\_ zone.
